NEWSLETTER NOVEMBER 2016

PRESIDENT'S NOTES

This year is flying by so fast, I have finally found time to update our members on what SPRSL has been up to this year and what our engagement plans are for the rest of 2016.

Again I thank you all for your support throughout the year. We are proud members of the local community and enjoy giving back to them via our relationships with our local primary schools, the CFA, local sporting clubs and many more

Since our last newsletter we have had two cover bands **The Beatlez** and **Creedence Clear Water** which have helped our bar sales and added to the financial wellbeing of your club.

We also have in place now our resident band **Cruizin'** who are a group of retired musicians who got together and were looking for a venue to play, approached us and the rest they say is history. Those of you who have heard them, will like me think they are pretty good and for the admission price of \$10 extremely good value. They will be playing over summer and at functions throughout next year so look out for them.

Other social functions we have lined up for the remainder of the year include a **Country & Western** night featuring **Terry Gordon** on Saturday the 19th November starting at 7.30 pm. This is a fancy dress night so dress up in your Country & Western gear. For tickets at \$35.00 each contact Matthew or Christine on **0418 311 584**.

We have **Remembrance Day** on the 11th of November for which, as usual, the service will be held in the main street of Sorrento at 11am outside the news agency. Both our local primary schools will be represented and will participate in the wreath laying ceremony along with other community groups. You are all invited to this service and afterwards for light refreshments back at the club rooms.

Once again I would like to thank our voluntary committee on your behalf for the support and effort they put in to ensure the club is welcoming place for all our members and their guests to enjoy.

Until next time, don't forget to look after your mates.
